\*3 inclement weather days are built into calendar.

NOTE: The calendar may be extended should unforeseen circumstances require it and/or subject to the work year being extended. Therefore, no plans which cannot be changed should be made prior to June 30. If emergency full-day closings exceed the allotted three days, vacation days will be removed in this order: April 9,10, 11, and 12. If additional days are needed, they will be added to the end of the school year. The Board reserves the right to make other adjustments to the calendar, if necessary. In most cases, when additional days are required, they will be added to the end of June. Unused emergency inclement weather days will be used first to extend Memorial Day weekend and then to shorten the school year.
